**RoHS and WEEE compliance of AMTECH Lead-Free Solder Products**

SMT International LLC, dba AMTECH, hereby confirms that all of our Lead-Free products fully comply with the latest RoHS regulations. The products do not contain the following hazardous substances: mercury, hexavalent chromium, polybrominated biphenyl (PBB) and polybrominated diphenyl ether (PBDE). All Lead-Free finished products meet the lowest acceptable levels for lead (<1000ppm) and cadmium (<100ppm) as established by the European Directives 2002/96/EC (WEEE) and 2011/65/EU (RoHS).

**Lead (Acceptable Levels):**

<1000ppm

**AMTECH Lead Levels:**

<500ppm

**Cadmium (Acceptable Levels):**

<100ppm

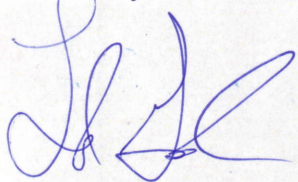

**AMTECH Cadmium Levels:**

<100ppm

All AMTECH Lead-Free Solder Products comply with the requirements of the European Directives 2002/96/EC (WEEE) and 2011/65/EU (RoHS).

For any additional information or questions, please do not hesitate to contact AMTECH at any time.

Sincerely,

Leigh William Gesick  
President
